COACHING

360° GOLF

Players are grouped by ability and follow a dedicated training programme designed by PGA professionals. Coaching takes place on the excellent 9-hole course and golf practice facilities at Bradfield College, also making use of the state-of-the-art golf performance studio. Each week, players visit a local driving range and put their skills to the test in a tournament day at a top golf course nearby.

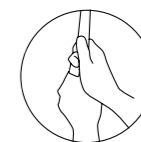

RAISE YOUR GAME

Coaching sessions involve skill development and technique correction, while the golf performance studio with Trackman 4 technology, Boditrak pressure system, and CAPTO putting analysis provide detailed player feedback. Players leave with a better understanding of their game and how to improve. They meet friends from around the world and gain self-confidence in a truly international golf environment.

TAKING PASSION FOR SPORT INTO THE CLASSROOM

ENGLISH TEACHING

WHAT TO EXPECT

Classes focus on sport, harnessing students' passion for the subject to promote language learning in a fun and interactive environment. Using the CLIL (Content and Language Integrated Learning) model of English, qualified teachers infuse language learning into lively and active classes where sports-based projects, discussions and activities take centre stage.

Teachers guide students to improve their verbal communication skills while discussing legendary players, interviewing coaches, or writing and speaking their own commentary. Learning is supported by English teachers living on-site and English is spoken at all times throughout the camp, creating an immersive learning environment.

HOW IT WORKS

Students are grouped into classes based on a combination of age and ability. They complete a short online assessment before the camp starts and then speak with a teacher on arrival to ensure they are correctly placed for their level. At the end of the camp, each player receives a written report and advice on how to continue their learning at home.

WHAT'S INCLUDED

-  UP TO 13 HOURS OF ENGLISH LESSONS PER WEEK
-  1:12 TEACHER TO STUDENT RATIO (AVERAGE)
-  INDIVIDUAL REPORT TO TAKE HOME

WORKSHOPS

WHAT TO EXPECT

Players on the Total Sport option follow a series of workshops and recovery activities throughout the camp. They are introduced to a range of topics designed to give a broader view and better understanding of athletic performance, and what it takes to succeed on and off the course. Recovery exercises, such as yoga, help players manage the workload of training twice a day.
